

FPSA / SFP PROGRESS REPORT

Service First Processing (SFP) and The Food Processing Suppliers Association (FPSA) began the merchant processing program for members in January 2018. This program was set up to offer members a choice between their current processors and the FPSA / SFP program. Of the members that we have contacted, 9 locations have provided statements to SFP for analysis.

- **100% of the FPSA member statements that we have evaluated show a savings with the SFP Program.**
- **The average cost savings for FPSA member statements that we have evaluated is currently 26% or \$8,302 per year before member rebates.**
- **The combined cost savings for active member accounts is \$44,540 per year before member rebates.**
- **4 of the 9 member statements we have evaluated are currently using the SFP program which represents a 44% member participation rate.**
